

Start Your Application

Once your Alma account is verified, here's how to open a new admissions application for your student.

New here? First see:**Creating Your Alma Account**

1 Click "Begin New Process"

Log in at **riseprep.almastart.com**. On your account home, click **Begin New Process** in the top right to start a new application.

Get Started!

Begin New Process

Let's get started!

Find the Forms and Tasks right for you.

This is your account home. "Begin New Process" starts a new application.

2

Select the school year and grade level

Choose the academic year you're applying for, then select your student's current grade level from the dropdown.

10th Grade

11th Grade

12th Grade

Select school year and grade level to find matches

Pick the grade your student is in now — not the grade they're applying to.

Choose your process and click Begin

Matching application processes will appear below the dropdowns.

Choose **2027/28 High School Application Process** and click

Begin.

Prefer Spanish? A Español version of the same process is listed right below it.
